SUMMARY

A motivated IT student at San Jacinto College pursuing an associate degree in Web Development, with a strong focus on building clean, scalable, and user-friendly digital experiences. Skilled in modular CSS, responsive layouts, and backend-driven websites that prioritize clarity and usability. Known for strong communication, problem-solving, and a collaborative mindset, with experience leading projects and creating organized, efficient systems. Driven to grow as a developer and contribute to modern, well-structured web applications.

EDUCATION

Associate of Applied Science IT-Web Application Dev AAS San Jacinto College, Pasadena, TX Expected graduation in May 2026

TECHNICAL EXPERIENCE

Portfolio Website — HTML, CSS, JavaScript, PHP, SQL
- Built a responsive, modern portfolio with modular CSS architecture for scalable styling.
- Integrated backend features using PHP and SQL to handle form submissions and dynamic content.
- Designed a clean UI with scroll-based animations and a video-based hero section.
- Implemented mobile-first navigation with dropdown menus and an animated hamburger menu.

Dashboard Interface Prototype — UI/UX + Frontend
- Designed a dashboard layout prioritizing clarity, usability, and visual hierarchy.
- Created reusable components with structured CSS and responsive design principles.
- Applied UI/UX patterns to improve navigation and data readability.

Contact & Survey Form System — PHP + Scoped CSS
- Developed fully functional forms with server-side validation and clean data handling.
- Scoped CSS to prevent styling conflicts across pages.
- Improved user experience through conversational flow and accessible layout.

PROFESSIONAL EXPERIENCE

Volunteer | Vitas Hospice — Houston, TX
- Managed internal databases and maintained accurate records.
- Coordinated event logistics and supported smooth program operations.
- Communicated effectively with staff, families, and volunteers.
- Maintained organized, clean, and functional environments.

PROFESIONAL EXPERIENCE (continued)

Childcare Provider | Houston, TX
- Communicated clearly with parents and documented daily activities.
- Organized schedules, routines, and educational activities.
- Resolved conflicts and supported emotional regulation.
- Maintained a safe, structured, and clean environment.
